

End Gender Apartheid

Dedicated to exposing and ending the religious oppression of women and others

Worldwide many of our products are now Halal Certified, therefore virtually all of us are funding Islam, an oppressive, sexist ideology. Of course not all Muslims share these views, but unfortunately some of our grocery cash, taxes etc are contributing to human rights violations, without our consent. www.endgenderapartheid.com

Your grocery purchases may be funding Female Genital Mutilation (FGM)

A large amount of halal certification cash goes to Majelis Ulama Indonesia (MUI) – a leading supporter of female genital mutilation (FGM).

Female genital mutilation can include partial or complete removal of a girl's genitals. MUI's fatwa has led to many Indonesian girls being

genitally mutilated, not only have at least 49% suffered this human rights violation, many Indonesian school girls are forced to endure being genitally mutilated in mass ceremonies... Read more www.endgenderapartheid.com

Halal Certification – Sharia by stealth

The \$2.1 trillion dollar Islamic industry we are all chipping into

It started off with meat only, then other foods, now halal certification has extended into pharmaceuticals, healthcare, travel, education, and the list goes on. A \$2.1 trillion dollar industry, which mostly funds Islam, but virtually all of us worldwide are chipping into it. Don't believe me? Well believe the halal certifiers themselves who have written a comprehensive report about it... Read more

Halal vaccines, medicines and segregation of the infidels

Halal certifiers are eyeing up \$148 billion worth of generic medical patents due to expire in 2018

They also plan to create halal certified vaccines. Segregating Muslims from non-Muslim patients is also on their radar... Read more www.endgenderapartheid.com

Is Halal humane? Should we fund Islam? Are we funding terrorism?
